SUMMARY OF AMENDED CHAPTER 11 PLAN OF REORGANIZATION
FILED APRIL 4, 2022

Class 1 – Administrative Claims: All Class 1 Administrative Claims will be paid as the parties agree.

Class 2 – Pacific Union Financial Now Freedom Mortgage: Freedom Mortgage holds the first mortgage on 3307 Waterford Drive Pittsburgh PA 15238. This is a residential property that the Debtor and his spouse uses as their home. The debtor shall continue making payments on this obligation without modification. The Creditor asserted arrearages. Those arrears are disputed. The Debtor will cure any arrearages within 12 months after confirmation of the Plan.

Class 3 – Citizen Bank Home Equity: Citizens Bank holds the second mortgage on 3307 Waterford Drive Pittsburgh PA 15238. The Debtor will restructure the mortgage over a new ten-year term and 3.5% interest rate.

Class 4 – Priority Tax Claims: This Class shall be limited to the principal and interest only claim of the Internal Revenue Service Claim #1. All Priority Tax Claims that are allowed will be paid off over five (5) years at the requisite statutory interest rate for the respective creditor. The penalty and fee portions of these claims will be treated in Class 6.

Class 5 – Terri Imbarlina Patak: Per agreement of the parties, this creditor will be granted mortgage in the amount of \$85,000.00 on 3307 Waterford Drive Pittsburgh PA 15238 which will be ratified by Grace Jones. This debt will be paid over ten years at 4% with a monthly payment of \$860.58. This debt is and will remain non-dischargeable as to Ronald Jones.

There will be a modified default provision. If there is an arrearage of more than 30 days, the creditor will issue a default and thereafter, the Jones' will have 15 days to cure the default. If not cured a material default has occurred.

- a. If the material default occurs within the first 24 months, the creditor can commence a foreclosure; but the Jones' may cure the Default at any time allowed by law AND the interest rate permanently increases to 6% regardless of any cure.

- b. If the default occurs after the 24th month, you can commence a foreclosure; but the Jones' may still cure at any time allowed by law.

Additionally, this creditor shall have a \$95,000.00 unsecured claim which shall be treated in class 6.

Class 6– General Unsecured Creditors: Class 6 is composed of all creditors who have an allowed unsecured claim against the Debtor as of the Petition Date. The Allowed Unsecured Claims in this Class will be paid \$15,000.00 in installments of \$250.00 per month. The unsecured creditors will receive a pro-rata distribution. Distributions to unsecured creditors will be made on a quarterly basis. The ultimate dividend will be determined based on the outcome of any claim objections.

Additional Information and Comments:

Originally, this case was commenced as a Chapter 7. However, both the business lender and Chapter 7 Trustee filed adversaries against the Debtor and his spouse. The business lender was able to obtain a judicial determination that her debt was non-dischargeable. The Chapter 7 Trustee also holds an administrative claim. In light of the events which transpired before, the Debtor wanted to end the litigation and the related costs from it. Ronald Jones asked the court to allow him to convert the case to a chapter 11 and work out a settlement with creditors.

Robert Shearer, Chapter 7 Trustee, shall have a stipulated claim for \$5,000.00 for his costs and fees that accumulated during the Chapter 7 portion of the case. There will be no need for any fee application because this is a settled amount which is being noticed to all creditors in this case.

Respectfully Submitted,
